responsible for Italian participation in Expo 2025 Osaka*

**PUBLIC TENDER OF SPONSORSHIP FOR THE ITALIAN PAVILION AT EXPO 2025
OSAKA**

Under art. 88, paragraph 3, of Legislative Decree 31 March 2023, no. 36, the following queries were received concerning the Tender:

17) A company in the transport sector asked if the last line of page 3 of the Public Tender ("if there are competing proposals, freely choose the one deemed best"), means that only one organisation will be chosen for each product category, at the Commissariat's sole discretion, or several organisations will be appointed as sponsors for the same category.

ANSWERS

17) The answer is no. Economic Operators are entitled to exclusivity for the product category to which they belong only if they are Diamond Sponsors (from € 1,000,000). This means that multiple organisations may be sponsors for the other product categories.
