**PUBLIC TENDER OF SPONSORSHIP FOR THE ITALIAN PAVILION AT EXPO 2025
OSAKA**

Italian Pavilion sponsorship

In relation to the public tender for sponsorships for the Italian Pavilion at Expo 2025 Osaka file no. COMEXPO2025/U/00738 dated 27 October 2023, the General Commissioner for Italian participation in Expo 2025 Osaka (hereafter, the "Commissioner"):

- Having regard to the institutional tasks assigned for the construction of the Italian Pavilion;
- Having regard to the Decree of the Ministry of Foreign Affairs no. 192 dated 2 November 2017, "*Regulation containing general guidelines for choosing the contractor and contract performance carried out abroad, under article 1, paragraph 7, of legislative decree no. 50 of 18 April 2016*";
- Having regard to the extension of the public tender for sponsorships for the Italian Pavilion at Expo 2025 Osaka file no. COMEXPO2025/U/00910 dated 22 December 2023;
- Considering that, due to the high number of applications and requests from Italian and Japanese companies for additional deadlines to finalise their sponsorship proposals, it is necessary to extend the deadlines for their submission;
- Considering that it is necessary to choose the Logo of the Expo 2025 Osaka Commissioner (hereafter, the "Commissioner") as soon as possible, for a prompt notification to the Organisers and because it is essential for the new website's visual identity (the website will be launched mid-April 2024 to coincide with the "one year to Expo" event);
